

Welcome sessions

For recently arrived Hong Kongers

Week 1 - Introduction to your town, including a walking tour with key sites such as shopping areas, libraries, galleries, supermarkets and local landmarks. Find out about the history of your area and all its key sites.

Week 2 - Guidance on how to navigate HMRC (taxes), DVLA (registering car ownership & licences) and Local Authority (council tax). Introduction to how the British police force and fire services help the community.

Week 3 - In this session we will guide you through NHS services and your entitlements. Learning about which service to use when, about health professionals and the importance of managing your own health.

Week 4 - In the final session we will look at being an active citizen and how you can get involved in the community. We will cover local politics, groups and activities as well give opportunity to ask questions to someone who lives in the local area. Find out about bin collections, best places to eat or anything else you like.
